Become a Friend of Mikron

Thank you for coming to this performance, we really appreciate you being here.

Did you know that Mikron has an active group of Friends who support the Company on a regular basis? Surprisingly, it's called the Friends of Mikron. Joining the Friends not only helps keep the Company 'afloat' or on the road, it also gives you a range of benefits.

- Three Newsletters a year, full of inside stories and information you won't get anywhere else
- The opportunity to be closer to the Company than the average theatre-goer
- Advance tour information to plan ahead
- A free programme so that you can be smug at a performance – as long as you remember to bring it!
- A highly sought-after invitation to the annual Friends of Mikron get-together

Interested? Simply complete the slip at the bottom of the page (please make cheques payable to Mikron Theatre Company Ltd), and hand it to any member of the cast after the show or during the interval, or post it to:
